Rich:

FYI....I left a v-message w/ Judy Sheldrew inquiring into ownership of the infrastructure at Pineview Estates. I thought such information would be beneficial prior to setting-up a call w/ Mr. Yarborough to discuss PTP's responsibility relative to permit renewal. I let you know what I hear back from her. A

Mr. Setran:

The meeting I attended on September 15, 2010 was chaired by Mr Daniel Allen, but the Homeowners Association elected a new Board of Directors and assumed responsibility for managing Pine View Estates in September, 2009. The Attorney for the H/O Association is Judy Sheldrew, Esq. who works for the law office of Karen Winters in Minden NV. Her phone number is (775) 7 [REDACTED] B6  
I hope this information is helpful.

Mr. Yarborough:

Thank you for your call this afternoon. Do you by chance have the name of the BIA representative who chaired/attended the meeting for which the Pineview HOA was transferred responsibility for the sewer infrastructure from PTP, Inc. Thank you in advance for your response, Aaron

Mr. Yarborough:

As a follow-up to my v-mail message, you are listed as the current secretary for PTP, Inc. via the Nevada Secretary of State Information System. EPA is trying to determine if PTP, Inc. is still a viable entity as they are listed as a "permittee" to an Underground Injection Control permit issued to Pineview Estates. EPA is aware that Mr. May, former president of PTP, Inc., passed away some time ago, and we are not sure if PTP, Inc. continued to exist given the circumstances.

EPA is considering the revocation of the subject permit at Pineview Estates and would be required to formally notify PTP, Inc., of this proposed action since they are listed as the "permittee", along with Mr. Leon Mark Kizer of Gardnerville, NV. Any information you could provide would be of assistance to EPA in this matter. If you have any questions/concerns regarding this request please feel free to contact me.

Thank you, Aaron
